# *Crab Bouillon Paste*

We are pleased to introduce our new Crab Bouillon Paste. As with all our pastes, this product provides a practical way to add its rich flavour to your recipes.

The high yield of the paste allows for the creation of stews, soups, bouillabaisse, chowders, risotto, gumbo, and paella with ease.

Use the Crab Bouillon Paste to boost flavour in your homemade stocks and bouillons.

The paste can also be added directly into your recipes. Try using it in a delicious pasta cream or tomato sauce.
