# HUNTER SAUCE

Originally served with venison, rabbit, and other game meats, Hunter Sauce is now also served with beef, veal, chicken, and pork, making it a truly universal sauce.

Hunter Sauce has the combination of wine, mushrooms, onion, a hint of tomato, and a Demi-Glace base that provide a rich flavour profile.

Esslinger Foods Ltd. is proud to provide a Hunter Sauce full of portobella mushrooms that elevates this sauce to a new level.
