Fire Roasted Freeze Dried Garlic Powder

We are pleased to announce our latest product - Fire Roasted Garlic Powder! Garlic is an ingredient in many recipes, and we have provided this staple with an innovative twist. The American garlic is fire roasted to provide additional flavour levels to your creations. We have provided this powerful and aromatic vegetable in the powdered form for ease of use. The unique taste, potent flavour, and wonderful aroma will be a welcome addition to your menu.

Whether in lasagna, cannelloni, or any other pasta dish, the flavour and aroma of the Fire Roasted Garlic Powder will enhance all types of tomato and cream sauces.

Use the Fire Roasted Garlic Powder in any application that you would normally use garlic powder to create an innovative flavour. Added to a simple vinaigrette, caesar salad, mashed potatoes, or risotto, the Fire Roasted Garlic Powder will heighten the flavour profile of all your culinary creations..
