

JALAPEÑO PEPPERS

1/4" DICED

We are pleased to introduce our latest product, Freeze Dried 1/4" Diced Jalapeño Peppers.

These spicy peppers are named after the city of Xalapa, where they were traditionally produced.

These thick, leathery, dark green pods are freeze dried and diced for ease of use.

Jalapeño peppers are a natural ingredient in Guacamole and salsa. Whether for Salsa Verde or Pico de Gallo, the 1/4" diced pieces will provide an excellent ease of use.

Add the diced Jalapeños to your Civiche marinade, for both colour and flavour.

Mix the Jalapeños with butter for grilled, broiled, or roasted meats.
